## TRUSTEES' REPORT

---

To the Citizens of Peabody:

The Trustees of the Peabody Institute submit their 73rd Annual Report for the year ending December 31st, 1924.

The detailed report of the Treasurer, Mr. John J. Gallagher, and the report of other Committees are submitted.

The Trustees wish to acknowledge receipt of \$2000 from the City, this being received after a request having been made for \$5500. There is no other City in the State not willing to spend more money for the upkeep and maintenance of its Liberty. An institution serving over 20,000 inhabitants with a circulation of more than 40,000 books, last year, must have better facilities for handling same, as well as more help in the Library. An assistant Librarian must be put on at once.

The property of the Institute has been improved, the houses on Wallis Street painted, and some of the necessary repairs have been attended to by the Building Committee.

In the performance of their duties, the Trustees have worked for the welfare and interest of all.

Respectfully submitted on behalf of the Trustees.

JOHN E. FITZGERALD.

Chairman.

## TREASURER'S REPORT

---

Peabody, Mass.,

Dec. 31, 1924.

To the Trustees of the Peabody Institute,  
Peabody, Mass.

Gentlemen:

The accompanying report in detail covers the Financial activities for the year ending Dec. 31, 1924, examination of which will show that all of our investments and securities are sound and paying interest and dividends excepting the following:

### General Fund

5M Indiana Columbus & Eastern R. R. (bought 1902) Interest has been defaulted since Nov. 1, 1919. Our bonds are now in the hands of a bond holder's protective committee who have obtained the services of Day and Zimmermann, Industrial Engineers, who are working out a re-organization.

### Eben T. Osborn Estate

1 Share New York, New Haven & Hartford R. R.  
10 Shares Boston & Maine R. R. 1st Pfd.  
2 Shares Worcester Con. St. R. R.

The above stock was acquired with the Eben T. Osborn Estate.

During the year changes were made in our investments as follows:

### Reserve Fund

Sold 5M American Telephone & Telegraph 4's 1929.  
Proceeds used on Wallis House.

Sold 1M Brooklyn Edison Co. 7's 1940.

Bought 1M Brooklyn Edison Co. 5's 1949.

### General Fund

Sold 5M Baltimore & Ohio R. R. 3½'s 1925.

Bought 2M Memphis Power & Light Co. 5's 1948.

Bought 3M Texas Power & Light Co. 5's 1937.

For the first time in the history of the Institute the City made an appropriation for the maintenance of the Library. We requested an appropriation of \$5887.00 towards the starting of a Children's Reading Room and General Maintenance, but we received only the sum of \$2000.00. To enable the Trustees to do their full duty to the community it will be necessary for the City to adopt a more liberal policy in its appropriations to the Library. During the year extensive repairs were made on the property, amounting to about \$2000.00. This in itself practically offsets the appropriation of the City.

The Reserve Fund Cash Account shows a deficit of \$4459.05. This is due to expenditures in connection with renovating the Wallis House in excess of securities sold for this purpose. We will therefore be obliged to sell securities from the Reserve Fund to offset this amount, thereby transferring this amount from Security investment to Real Estate investment.

We are still doing business at the same stand, with about the same facilities we had when Peabody's population was 8000 as compared with conditions of today with approximately 22,000 people. While the assets and income have steadily increased in the past 10 years, yet it has been far from adequate to meet the demands of a growing community;

also, measuring the increased cost of maintenance due to increased cost of all commodities as compared with pre-war conditions.

The annual audit was made by Harvey S. Chase Co., Certified Public Accountants,—the books were found correct and all Securities were intact.

Very truly yours,

JOHN J. GALLAGHER.

PEABODY INSTITUTE LIBRARY

April 22, 1924.

Trustees of the Peabody Institute, Peabody, Mass.  
Gentlemen:—

In accordance with your instructions we have audited the books and accounts of the Treasurer of the Trustees for the year ended December 31, 1923, and report thereon as follows:

The income from interest on bonds, dividends on stocks, and bank interest has been verified and all found to be accounted for properly. The average rate of income from securities and savings bank deposits for 1923 was 4.83% on the book value of securities and cash at the beginning of the year. Receipts from rent of hall and sundry receipts by the library were not verified but accepted as shown in the cash books. Rents from houses owned were as follows:

Hammond House, 11 Wallis Street	\$168.00
Merrill House, 9 Wallis Street	338.00
Wallis House, 66 Main Street	464.00
	<hr/>
	\$970.00
	<hr/>

Rent from one tenement for one month was due and unpaid at the end of the year. Another tenement was vacant for one month and no rent was received from the Wallis house from August 1, 1923.

Cancelled checks and vouchers were on hand covering all disbursements; the vouchers being properly approved where such approval was necessary.

The cash balances as shown by the cash books were in agreement with certificates of balance obtained from the bank as of December 31, 1923, after making allowance for an outstanding check.

The securities and savings bank books representing the

investments of the various funds were examined and found to be on hand as called for by the records. The savings bank accounts were verified by correspondence with the banks.

The insurance policies covering the buildings, personal property, and liability insurance were listed and found to be in good order and apparently sufficient to cover the property.

Attached hereto, and forming a part of this report, are three schedules showing the transactions for the year and the condition of the funds at the end of the year.

Very respectfully,

HARVEY S. CHASE & COMPANY,  
Certified Public Accountants.

## REPORTS OF COMMITTEES

---

To the Trustees of the Peabody Institute:

Gentlemen:—I transmit herewith the reports of the Librarians and of the Sub-Committees of the Lyceum and Library Committee. They present in full the work of the Institute for the year ending December 31, 1924.

Respectfully submitted,

J. W. HUDSON,  
Chairman Lyceum and Library Committee.

## Report of the Library Committee for the Year Ending December 31, 1924

---

The management of a public library, like any well regulated business, requires an adequate equipment, and sufficient clerical force to provide for the requirements of its patrons.

In an industrial city like Peabody, with its cosmopolitan population, the duties and obligations that devolve on the librarian become more exacting each succeeding year, and it is our duty to consider what we are doing to enable him to care for this additional work. We appropriate, from the money given us by the trustees for the library maintenance, an amount sufficient to provide him with two boys, as assistants, and by so doing, we are not deviating from a custom that prevailed a quarter of a century ago, so that no provision is made for the increase of 150% in the population of the city, or the increase of 100% in the number of volumes in the library.

Beverly has about the same number of volumes in her library as we have in Peabody, but the Beverly librarian has six assistants and five attendants, who receive salaries three times that of Peabody; Salem, with about 40% more volumes than Peabody, has a librarian and ten assistants, who receive salaries five times the amount paid in Peabody, and there is a demand in both cities for larger appropriations for library work.

We reiterate the statement, so frequently made, of the need of a Children's Reading Room. Children in large numbers visit the library, but we have no Reading Room in which their visit could be made interesting and profitable to them.

The small appropriation made by the city this year for

the use of the library, will, if supplemented by additional appropriations, be the means of providing the much needed Reading Room.

449 volumes were purchased for the library during the year, and the Library Committee, in conjunction with the librarian, have given careful consideration to their selection. Fiction as usual predominates in book publishing, and purchases made from that class were carefully considered. There are many clean and desirable novels published, but there are many others of little merit.

Some states have organized "Clean Book Leagues," and it would be well if such an organization became general, as there are books published and extensively advertised that should be debarred from public libraries. In recent years, America has become a dumping ground for obscene and immoral books of European authors, books in which sexual immorality and attacks on the sanctity of the Christian home, are the predominant features. Our homes, and the minds of our youthful readers must be protected from the foul writings of these literary degenerates.

We wish to emphasize the valuable service rendered the Committee during the year, by our librarian, and while it is no sinecure to supervise and scrutinize every detail of the work of the library, Mr. Keefe is always ready to assist any person seeking information on any subject connected with the library.

He is a close student of the tastes and the requirements of those who are seeking books, and his advice in their selection has resulted in many people procuring a better class of reading.

The librarian's assistants are always courteous and gentlemanly in dealing with patrons of the library.

The janitor, who is a most efficient man, and whose work has been increased during the year by the additional care of the Wallis House, is discharging his duties in a very satisfactory manner.

The sympathy of the committee is extended to Rev. Mr.

Hudson whose continued delicate health prevents him from participating in a work he enjoyed, and in which his valuable service was always conspicuous. We earnestly hope that he will be soon restored to health.

For the Committee,

P. H. O'CONNOR, Chairman.

## Librarian's Report

To the Lyceum and Library Committee:—

Gentlemen:—

I have the honor to present herewith the seventy-third annual report, covering the operations of the year 1924.

There has been a slight decrease in the number of books circulated during the past year. The decrease is particularly noticeable in the reading of fiction and light forms of literature, but there has been a steady increase in the number of serious books circulated, which require much more time for perusal.

The open stack has been of great assistance to the patrons of the library. It contains books of all current subjects, and we are trying to keep before the public, interesting reading that is both popular and beneficial.

We are continuing our work amongst the foreigners. Our small collection of books in the foreign languages was increased by books applied for and received, through the co-operation of the Massachusetts Library Commission. Have had books in Russian and Portuguese languages distributed and find this has been greatly appreciated.

Despite our limited attendant service, the work of the reference department is steadily increasing. For many people there are new interests and less time to read, but for the students, debaters and those searching for information, there are endless calls on the reference department. One of the most important functions of the library is reference work, and the time and assistance of the librarian are constantly in demand.

The real difficulty of the library seems to be in supply-

ing and directing the children with suitable books for reading. Am hoping that in the near future, we may be able to remedy this condition, by the introduction of a reading room for the children. This year in anticipation of a children's room we have purchased a collection of books suitable for very young children.

We had an exhibit of books for children of the three lower grades in the Daniel Francis Keefe school, during Educational week. It was most interesting and greatly enjoyed by visitors at the school.

Our membership in the Library Art Club has been continued, and the following exhibitions have been given:—

For the Year 1924

---

The Lyceum Committee met on Tuesday, October 14, at the Peabody Institute.

Members present were: John E. Fitzgerald, Mrs. L. P. Osborn, W. W. Woodman and James E. Farley, Chairman. Mr. Herbert Larrabee, President of the Peabody Teachers' Association, was also present.

MOVED and VOTED: That the Lyceum Committee co-operate with the Peabody Teachers' Association in conducting its Annual Lyceum Lecture.

MOVED and VOTED: That James E. Farley and Herbert Larrabee be a sub-committee with full power to conduct the Annual Lecture of the Lyceum Committee.

MOVED and VOTED: That we do now adjourn.

The Annual Lecture of the Lyceum Committee of the Peabody Institute was held on Wednesday evening, December 17, 1924. The speaker was Hugh J. Molloy, Superintendent of the Public Schools of Lowell, Massachusetts. His subject was "Literature and the Love of Reading." Mrs. Margaret Millea Henry, assisted by Mrs. Thorndike at the piano, gave a short song recital before the lecture. The costs were as follows:

Hugh J. Molloy	\$75.00
Mrs. Margaret Millea Henry	15.00
Edward J. Croughwell, for advertising posters	3.00

	\$93.00

Respectfully submitted,

JAMES E. FARLEY, Chairman.

### LYCEUM AND LIBRARY COMMITTEE

---

The Eben Dale Sutton Library Committee respectfully submits this report for the year ending December 31st, 1924.

The interest shown by the consultants and visitors was very satisfactory during this period.

A total number of nine new volumes was added to the Library during the year.

The Committee wishes to take this opportunity to extend its thanks to our Librarian, Miss Frances E. Carroll, for the able and efficient manner in which the work was carried on.

JOHN E. FITZGERALD.

Chairman.

### READING ROOM REPORT

---

To the Lyceum and Library Committee:—

The Reading Room Committee herewith respectfully submit their report for the year ending December 31, 1924.

There has been no change during the year in the list of periodicals subscribed for and on file in the Reading Room.

There has been a very noticeable increase in the attendance of both adults and children. At times every chair has been taken and many standing.

Good order has been the rule throughout the year and prevailing conditions are as favorable as they can be made, so long as the necessity exists of grown people and juveniles using one room in common.

For the Committee,

THOMAS W. SHEEHAN,

Chairman.
